To Whom It May Concern:

Tonight marks the end of a highly successful thirty-engagement run in Arizona, on which we booked a wonderful act of entertainment known as "PATRICK MURRAY & MATILDA".

It was our good fortune to choose such an outstanding act. Each and every one of our thirty clients individually raved about the enjoyment their people experienced. I personally witnessed the hysterical laughter; the thunderous applause and the standing ovations after each performance. What a delight it was to watch night after night as "MATILDA" batted 1,000 on every show.

In the world of contemporary humor today it is so unique to hear a comedy performance that every member of the family can enjoy. What an accomplishment it is watching an entertainer who can keep an audience roaring with laughter for well over an hour without insult or embarrassment.

Patrick Murray is also a consummate professional off the stage. His reliability is faultless; his eagerness to satisfy is refreshing; if there is any problem he overcomes it; his demeanor is polite and he is extremely considerate of everyone he is working with. In essence, Patrick is a total delight to work with at all levels.

With all my 50+ years of show business experience I would recommend this act as top priority for corporate events; theatrical venues; production shows; concerts, or as a strong opening act for any star attraction. What a pleasure to book such a pro, and in this case, we will do it as often as we can.

Sincerely,

Paul Lennon
