Dear Nicole, Patrick & Matilda,

What a wonderful show!

Everyday since your performance, my mail box has been stuffed with great comments. The best is when our residents take the time to come to the office and personally comment on how they like a show and believe me, they all loved it. I've had at least six in here today.

Your material was aimed perfectly at our residents.

We would love to have you back. I know it would be a sell out.

Yours truly,
