To Whom It May Concern:

In January 2008, Patrick Murray performed at DesertView Performing Arts Center, and as the Manager I am pleased to write a letter of recommendation for Patrick Murray. Patrick and his side-kick Matilda were a pleasure to work with, and from our first contact Patrick's professionalism was evident.

We are looking forward to future performance by Patrick and Matilda at DesertView. People in our community continue to speak with great enthusiasm of the performances describing them as hilarious, kept our attention the entire time, and looking forward to seeing the act again. Patrick displayed a diversity of talent, and gives an excellent performance to any audience.

If you would like to contact me I can be reached at Pat.Beeks@robson.com.

Sincerely,

Pat Beeks
