

Debby Mitchell, Activity Director

February 14, 2008

Dear Nicole & Patrick,

It was so nice to meet you both here at the Voyager RV Resort on January 25, 2008.

We were so happy with your performance and the residents have come to see us at the Activity Office with so many positive remarks concerning your show.

"Please, Debby (our Activity Director) can you get them back!!"

"We cannot believe they kept us laughing for well over an hour."

"This was the best ventriloquist I have ever seen."

Thanks again for sharing your talent with us and we hope to see you again.

Joyce Nelson

Activity Assistant
